Muscota New School
School Leadership Team Meeting
April 14, 2010

Call to Order

CEP

Members read and revised 2009-2010 CEP. (See revised copy)

Needs Assessment:

Support to struggling students includes student teachers.

Student teachers

Goal sheets – collaborative

Tabled

AcademicMusic Seminars – piloted in the current school year; worked with every grade, beginning with 2/3's. Will they return in 2010-2011? Which classes/grades will they work with? Is this the kind of music program Muscota needs/wants?

Should not be singled out on CEP if Muscota will not continue with them next year.
